Nature's Own Method

Warm air rises and cool air seeks a low level. This natural law is employed for heating the entire home thru one register in

THE WATERBURY Seamless FURNACE Pipeless FURNACE

It is easily installed—goes in your basement, out of the way. Does away with stoves and their unsightliness, their dirt, their discomfort. No need of keeping up several different fires—no ashes and no smoke in the living room.

The Waterbury warms your entire home with moist healthful air; air free from coal gas, smoke, ashes and dust. There is no waste heat. The Waterbury is very economical of fuel.

The cost of the Waterbury is moderate and it can be installed in a few hours. Will outlast several stoves. Your basement stays cool.

Make your home cheerful and comfortable. Come in and talk it over with us.
